## ENVIRONMENTAL POLICY

Cokely Wire Rope Ltd is committed to maintaining and improving our Environmental system. The following principles will serve as codes of conduct for all Cokely operations.

The following principles will serve as codes of conduct for all Cokely operations.

We will develop an understanding among those in positions of leadership of their responsibility to continually improving their activities, products and services that impact the environment.

We will comply with all recognized laws, regulations, company approved standards, company policies and procedures.

We will integrate environmental awareness into processes, procedures and employee practices.

We will provide employees with appropriate training with respect to their environmental responsibilities.

We will minimize our consumption of resources by reducing, reusing and recycling whenever possible, thus preventing and reducing pollution and its impact on the environment.

Following these principles will ensure Cokely Wire Rope Ltd. will consistently meet our obligation to protect the environment.
