## SAFETY POLICY

At Cokely Wire Rope Ltd. the safety and health of our employees comes first. Management is committed to doing everything possible to prevent injuries and maintain a healthy environment.

To this end:

- 1) All supervisors are responsible for ensuring that their employees are trained in approved work procedures to obtain optimal output without accidents and injuries and to ensure employees follow safe work methods and all related regulations.
- 2) All personnel are required to support the Safety Program and make safety and health a part of their daily routine and to ensure they are following safe work methods and relevant regulations.
- 3) All personnel will be held accountable for implementing this program.
- 4) All relevant laws and regulations are incorporated in our program as minimum standards.

Following these principles will ensure Cokely Wire Rope Ltd. will consistently meet our health and safety standards.
